IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NO. P-859
---	------------------

ORDER

(Issued September 17, 2004)

At the hearing in this case, Interstate Power and Light Company (IPL) presented evidence that it slightly modified the proposed route of the pipeline, moving a portion of the proposed route from the north side of Brooks Road to the south side of the road to accommodate water line construction taking place in the road right-of-way. On September 16, 2004, IPL filed revised petition Exhibits A, B, E, and F that reflected this route change. The exhibits are acceptable.

IT IS THEREFORE ORDERED:

The permit to be issued for the proposed pipeline is for the revised route as reflected in Exhibits A, B, E, and F filed on September 16, 2004.
